BS 837-C\* advised on 3/9/65 that HENRY TAMELEO contacted PATRIARCA. PATRIARCA told HENRY that some UNMAN had asked PATRIARCA to intervene with him for HENRY in order to force HENRY to pay a couple of thousand dollars that HENRY owes him. TAMELEO indicated that he would make every effort to do so.

During the discussion HENRY admitted that he owes PATRIARCA at least \$12,000.

JOE MODICA, according to HENRY, sent for him the other night and asked him if he had seen MIKE ROCCO. (This apparently referred to a gambling operation in East Boston, Mass., but the informant did not know the details concerning same.)

HENRY said that he has 25% but that everybody "plays on the arm" and he has not, as yet, derived any income from same.

HENRY advised that he had talked to JOE MOLLICONE of the County Finance Co., Providence, R. I., in connection with changing or depositing money at the banks. MOLLICONE talked to the "big guy" with the Industrial National Bank, Providence. He said a new law went in to effect a couple of weeks ago. This law requires all tellers at banks to obtain the name and address of any individual who deposits or changes under \$2,500. HENRY appeared somewhat disturbed about this new requirement.

PATRIARCA advised HENRY that JOHNNY BABORIAN lost \$30,000 at the races in Florida and that MARIO LEPORE had hit a twin double for \$37,000. RAYMOND stated that JOE SULLIVAN has 50% of LEPORE and he hopes that there will be no misunderstanding in connection with this hit as there was the previous year.

UNMAN (apparently from Boston) contacted TAMELEO. UNMAN stated that an unidentified person came to his house last Sunday and stated that he had someone to put up the money to purchase the bonds and securities, the total value of which amounted to \$188,000. This individual was willing to pay 15% to 18% of the value of the bonds, some of which were negotiable and which included one bearer bond. The individual was not interested in the bonds that came from Boston but did desire the other bonds which were previously referred to as GE, Telephone and Zenith stock certificates.

After a lengthy discussion, TAMELEO stated that inasmuch as there were five individuals involved in this security transaction, he did not think it would be sufficiently worthwhile to get involved.

JAMES FLEMMI and JOSEPH BARBOZA contacted PATRIARCA, and they explained that they are having a problem with TEDDY DEEGAN and desired to get the "OK" to kill him.

They told PATRIARCA that DEEGAN is looking for an excuse to "whack" BOBBY DONATI who is friendly with RICO SACRIMONE.

It should be noted that DEEGAN was the individual who killed RICO SACRIMONE's brother several months ago. Recently, DEEGAN, while intoxicated, walked in to the Ebb Tide night club, Revere, Mass., in which night club TAMELBO has an interest. He was accompanied by three or four individuals and created quite a disturbance with SACRIMONE and DONATI who were in the night club at the time.

At approximately 4:00 a.m., after DONATI returned home, a girl knocked at his door. He looked out the window, observed the girl but also observed a car with three or four individuals in it, and one of them was DEEGAN. He felt that DEEGAN was going to kill him that night, so he did not come out of the house.

FLEMMI stated that DEEGAN is an arrogant, nasty sneak and should be killed.

PATRIARCA instructed them to obtain more information relative to DEEGAN and then to contact JERRY ANGIULO at Boston who would furnish them a decision.
